04 Other notes

- 01

All figures are in Malaysian ringgit and exclude any applicable tax. Monthly fees begin at launch, not at signing.
- 02

The website fee covers one brand in three languages. Unlimited pages, including a page for every outlet and every treatment, in English, Bahasa Malaysia and Chinese. A second brand, or a fourth language, would be quoted separately.
- 03

Not included: advertising spend (Google or Meta), domain registration, photography and video production, printing of QR standees and signage, and any third-party licence you already hold. Each can be quoted on request.
- 04

What we do not promise here: no ranking guarantee, no traffic figure, no percentage lift. We do not publish numbers we cannot stand behind, and any figure quoted in a meeting will come with the account it came from.
- 05

This proposal is valid for 30 days from the date on the cover. Scope, sequence and payment schedule are settled in writing before work starts.
